Items made here in the UK have a reduced carbon footprint by eliminating CO2 levels caused by shipping from overseas and by reducing transportation times.

Vision Stand

Frame memories sophisticatedly

- Ultra-elegant thin acrylic photo frame
- Four smart and diminutive magnets keep print securely in place
- Smart and modern looking back features integral hanging holes and screw in stand
- 0.4mm frame thickness ensures emphasis is purely on the print
- High quality acrylic stand screws securely in place to display images landscape or portrait
