Binda Book

- Professionally bound, fully wrapped photo book - with no equipment or machinery
The first of it's kind?
- Patented system makes binding and wrapping very easy for a low-skilled operator
- Holds 10-15 double-sided photo pages, depending on media thickness
- Sturdy hardback cover, and premium finish
- Cover prints off 24" roll-fed printer - no additional trimming required. Specialist no-crease media available separately for this
- Includes assembly board, covers and spines with end leaves pre-attached
- Contains over 85% recycled material
